## **SCHOOL MEAL CHARGING GUIDELINES**

It is the household's responsibility to ensure individual food service meal accounts have sufficient funds. Charging into the negative is not allowed during the 2023/2024 school year.

All students are allowed one free breakfast and one free lunch.

Adult meals and all a la carte items including but not limited to milk, water, entrees and second meals are not allowed to be charged, you will need money in your account or cash on hand to purchase all a la carte items.
