**In Kalamazoo County there are many choices for career learning in high school. Have you ever heard about Education for Employment? This is also called E.F.E.**

**The choices for EFE begin in 9<sup>th</sup> grade when you start to learn about the different programs. The EFE programs let you explore a career choice, and sometimes people learn that they really like, or don't like a career choice after taking an EFE program. That's good information!**

**Career choices include Animal Technology, Computer information systems, Teacher Academy, dental assisting or robotics. There are over 30 different career programs to explore while you're in high school. All programs come with high school and college credit.**

**If you've never heard about EFE programs, listen for the E.F.E acronym and when you hear it, listen for the choices open to all students in Kalamazoo County!**

**Climax Telephone  
Company  
Scholarship is  
now available  
from Mrs.  
Mentzer.**

**Due date: May  
18<sup>th</sup>.**
